Dear Keith,

Thank you so much for your wonderful presentation at our Spring Garden Day on March 22nd. We had a nice turnout and the evaluations that were handed to me were very complimentary. The hands-on approach that you employed was an effective way to teach design. Everyone was pleased that they had the opportunity to use your ideas during the program, rather than waiting until they were home and had perhaps forgotten your suggestions. The creation of garden rooms is a difficult concept, but you managed it skillfully. Your designs are truly inspiring.

Keith, it was lovely to meet you. Thank you so much for your efforts in making this one of the best Spring Garden Days we've ever had.

Yours Truly,

Laura McDermott
